What Is YouTube?
YouTube is a way to get your videos to the people who matter to you. With YouTube you can:
Upload, tag and share your videos worldwide
Browse thousands of original videos uploaded by community members
Find, join and create video groups to connect with people with similar interests
Customize your experience with playlists and subscriptions
Integrate YouTube with your website using video embeds or APIs
To learn more about our service, please see the Help Center.

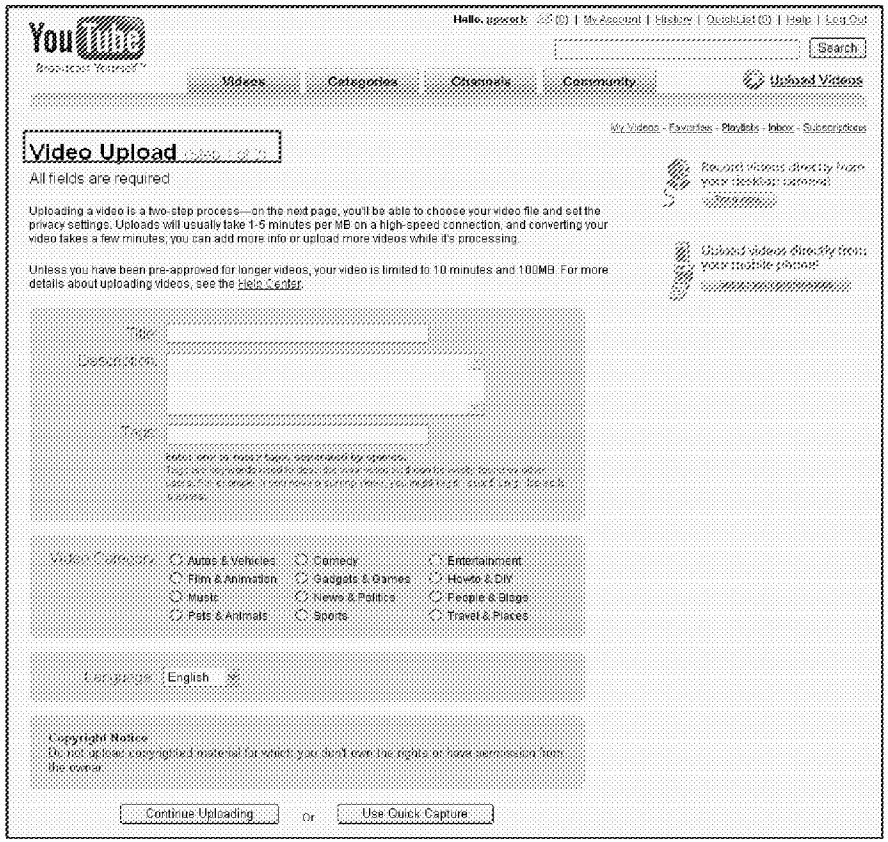
Every Channel Signup automatically makes a direct URL.
For example:
If you sign up as "morefriedchicken" you will get the URL
http://www.youtube.com/morefriedchicken

In order to upload Videos you must first confirm your email address via an auto generated email from YouTube

Video Upload: 2 steps



Video Upload
All fields are required
Uploading a video is a two-step process—on the next pages, you'll be able to choose your video file and set the privacy settings. Uploads will usually take 1-5 minutes per MB on a high-speed connection, and converting your video takes a few minutes; you can add more info or upload more videos while it's processing.
Unless you have been pre-approved for longer videos, your video is limited to 10 minutes and 100MB. For more details about uploading videos, see the Help Center.
